Carlton, Gedling and District u3a
Extra Meeting Subsequent to the AGM
held on 16th July 2026

10.30 – 10.50 Thursday 19th November, Carlton Pentecostal Church

- Our Chair Jenni White introduced Mark Reynolds, our previous Chair, to the members.
- Mark reminded the members that at the time of the AGM he had presented the finance statement, but that it had not been audited. This has now been done and Mark presented the figures with the addition of a new category in the list of expenses showing the processing fees we pay for using PayPal and the Sum-up machines. This is the only change made.
- He invited the members to ask questions about the u3a's financial position, which he answered.
- He then requested a motion to accept the financial statement.
- This was proposed by Paul Martinez, and seconded by Coleen Bee.
- This was put to the vote, and was unanimously passed by the members.
- Jenni thanked Mark for all his work to provide clarity on the u3a's financial situation, and closed the meeting.
