

STROLLERS 2023

March 2023: OXTON

Fab, short walk in March from Oxtan. Great company, lovely views, brilliant sunshine

April 2023: RUSHCLIFFE COUNTRY PARK

Many thanks to Suzie and Mark for our April stroll to Rushcliffe Country Park.

May 2023: from JUBILEE PARK

Sunny walk along, only two styles, nice company, three miles, comfort stop in the middle of the stroll – What's not to like? Get the next strollers date in your diary: Thursday 22nd June, meet up at Ranmoor Road Shoppers' Car Park to car share.

October 2023: COLWICK COUNTRY PARK

Notwithstanding the gloomy weather, seven of us tried out the social walk format round Colwick Park today and it was great. We had an enjoyable time strolling and chatting. The only downside was that the rain slowed and then stopped and didn't really allow us to test our wet weather gear! The park looked attractive and autumnal.

October 2023: GEDLING COUNTRY PARK

The weather was kind to us when we strolled round the Country Park. Visibility was fair and the conversation flowed.
