

Strollers Walking 2021

August 2021: COLWICK COUNTRY PARK

The group set off the first of two walks in August around Colwick Country Park. It was a very gentle walk of around 2.5 miles.

September 2021: BURTON JOYCE

September's walk took us from Bulcote towards Burton Joyce and after a cuppa in the Rhubarb Cafe returned to Bulcote.

Unfortunately not everything was straightforward. Originally we planned to start in Burton Joyce but due to planned roadworks (which never went ahead) we had to move the start.

On the Wednesday walk the No 26 was around 20 minutes late and on the Friday walk part of our planned route was closed because they were harvesting in the fields and we had to hurriedly plan a detour!
