Stroll in February was cancelled because of mud and rain.

### March 2024: COLWICK C.P.

Cool but dry walk around Colwick lakes in March in lovely company.

### September 2024: GEDLING C.P.

Weather treated us to a dry and occasionally sunny stroll round Gedling Country Park, with tea and coffee to follow.

**November 2024: COLWICK PARK**

Beautiful walk around Colwick Country Park in November: sunshine, great company, mist and a touch of frost....and good paths!
