

Strollers 2026

March 2026: Shelford

Nice stroll from Shelford in glorious sunshine, blackthorn blossom galore, 3 hares and a red kite, not to mention the friendly and chatty company.

Mud was forecast but we had to skirt round just one large puddle; otherwise the footing was good. Saw a pretty fierce sign warning dog owners, too.

April 2026: Netherfield Lagoons

We had a shorter stroll than normal in April, round the Netherfield Lagoons in glorious sunshine. Thanks for your company everybody.
